Assistant Professor
College of Health, Human Services and Nursing

The faculty of the Program in Clinical Science at California State University Dominguez Hills invites applications from individuals for a Tenure Track position in the Division of Health Sciences.

Responsibilities
Teach pre-clinical and clinical correlation courses in the disciplines of Medical Laboratory Science, work with adjunct faculty to evaluate students at multiple clinical affiliates, advise students and contribute to ongoing external accreditation, licensure and program assessment activities. The faculty member will be expected to demonstrate a record of scholarship and service in alignment with the Division’s Reappointment, Tenure and Promotion (RTP) guidelines.

Program Description
The Clinical Sciences Program at California State University Dominguez Hills (CSUDH) offers the Bachelor of Science in Clinical Science with options in Medical Technology (CLS/MLS) and Cytotechnology and the Post Baccalaureate Certificate in Clinical Science: Medical Technology and Cytotechnology. The MT/MLS/CLS program is fully accredited by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS) and is the sponsoring institution for multiple affiliated laboratories approved to provide clinical training for its eligible students by the California Department of Public Health, Laboratory Field Services. The Cytotechnology option is a member of the Greater Los Angeles Cytotechnology Training Consortium and is accredited by The Commission on Accreditation of Allied Health Education Programs (CAAHEP). The program’s mission is to provide high quality education and professional preparation in clinical laboratory sciences for a diverse student population, to prepare them for traditional and emerging professional roles. The Program’s curriculum offers the full range of disciplinary coursework, campus labs, and structured clinical rotations at affiliated hospital and reference diagnostic laboratories.

Qualifications
- Doctorate in a related field (Preferred) or Master’s Degree in Clinical Laboratory Science with clinical laboratory certification or licensure as a generalist and/or specialist.
- Clinical laboratory experience and/or teaching experience in a clinical science program.
- A record of or potential for successful scholarship.
The University
CSU Dominguez Hills was established in 1960 and is one of the 23 campuses that comprise the California State University system. CSU Dominguez Hills is a comprehensive public university located in the South Bay region of the greater Los Angeles metropolitan area. With approximately 300 full-time faculty, the University serves a culturally rich, diverse student body of approximately 15,000 students in an urban setting.

How to apply
While the position will remain open until filled review of applications, consisting of a current CV, cover letter and a list of 3 references will begin December 1, 2013. Applications should be submitted online at the following link: http://www.csudh.edu/employment/ Applicants should request references to submit reference letters directly to the following address:
Professor Cheryl Jackson Harris
Program Coordinator Clinical Science
California State University Dominguez Hills
